

# 2016/2017 BURNS PARK PTO

## Golden Apple Grant Application

The PTO awards Golden Apple Grants to teachers, staff and parents who seek funding for enrichment activities for Burns Park students. These grants are used to enhance or compliment existing curriculum or introduce new or unique educational experiences. In general there is a \$500 maximum per application however, exceptions are occasionally made when applicants have no other funding sources. If a request is made for an amount over \$250, the applicant must present the request in person at a PTO meeting. Applications are reviewed on a "rolling basis," meaning they are considered for approval upon receipt until the funds are all allocated. Golden Apple Grants are reviewed and approved by the PTO Board and Burns Park principal. Grant recipients must wait to spend money until a decision is made.

Please provide the following information and be as specific as possible. Completed forms should be placed PTO box in the school office. Questions about the application process should be directed to the current PTO president: Marie Todd at [maxwelltodd99@hotmail.com](mailto:maxwelltodd99@hotmail.com).
